

About Gabriel Kerr

Chef Gabriel Kerr has over 15 years of experience in the restaurant industry. He was the Chef De Cuisine at 503 Cocktail Lab and Tasting Room as well as the creator and Chef of Pasta Punk's Noodle Shop, a pasta and music forward pop-up experience. He loves fresh takes on old classics as well as creating his own unique dishes and believes that food has an amazing ability to bring people from all walks of life, ideologies, and backgrounds together.

Outside of his career Gabriel enjoys spending time with his wife and son, and attending Iowa Wild and Bucs hockey games. He also dabbles in architecture, nature and analog photography, and has been published in several forms of media.
